DD/S 85-0571 Liaison

MEMORANDUM FOR: Distribution List

SUBJECT: Correspondence with NSA

During the past several years there has been a steady increase in direct correspondence and liaison between CIA and NSA which involves nearly every phase of CIA/NSA operations. There is increasing correspondence and liaison, for example, on training matters, requirements, personnel matters, general administrative matters, and COMSEC problems. As a result, CIA correspondence, signed by officials of several CIA offices, is now being addressed to various components of NSA. This has caused NSA to request specific points of authority, insofar as possible, for NSA dealings with CIA. The attached draft Special Center Notice is designed to clarify policies and procedures governing correspondence with NSA.
